C DECLARATION BY APPLICANT

I hereby declare that all the information and documentation provided in this application are correct. On authorization of the product, me and my organization will abide and follow the standards and conditions specified by Etisalat, TRA and UAE Government on the import, sale and deployment of the product. I authorize Etisalat to conduct third-party tests on the product if needed. All expenses thereof shall be borne by me and my organization.

I have understood that the misuse of the approval obtained for one product for another will result in the forfeiture of the approval.
